# The Boundary of Helen

14<sup>th</sup> October 2013

From the point-of-view of “any-one” of “any-two” particular “minds”; “their-side” of **“the-boundary”** separating them from “the-other-mind”; must be understood as “exactly-identical-to” “the-other-side” of **“the-boundary”** as viewed by “the-other-mind”.

We now have an “identity” “in-both-of-these-particular-minds”, which somewhat contradictorily, is best understood as **“the-boundary”** between them !!!!

From :-

<http://www.davidcrofts.com.au/my-inspired-documents/the-con-sequences-of-mind>

This “identity” can “only” be “sounded-out” as; **“permit”, “bidden” and “insist”**; and these terms refer to the “relationship” between “the-two-particular-minds-in-question”. However, these terms can be “sounded-out” with a “countably-infinite-number” of “intonations”.

Considering “the-point-of-creation” of our Universe, it is best to understand the “two” fundamental “minds” of creation as, the MALE electro-static-entity, and the FEMALE magnetic-entity. These two minds initially “bup” each other, back-and-forth, making electro-magnetic-waves of cosmic-microwave-background-radiation.

These fundamental “bups”, back-and-forth, between MALE and FEMALE, profoundly agrees with what the “Poofterer” told me is the definition of “MyWumper”,

See :-

<http://www.davidcrofts.com.au/my-inspired-documents/my-wumper>

For a MALE mind, this definition is :-

“MyWumper” is the “sound” of “her-heart-beat”, “felt-in-the-inner-ear”.

**From the viewpoint of a MALE mind in “absolute-isolation”, it is comforting to know that when one has “exhausted-all-avenues-of-solitary-analysis”, a “bupping” back-and-then-forth-again will occur with a FEMALE mind, that you share a “boundary” with, and are weakly and/or otherwise “bound” to.**

# Pondering The Boundary of Helen

Author :- David A.S.Crofts

Written :- 14<sup>th</sup> February, 2012

## The "Containment" or "Protection" of a "Boundary"

- The "surface" of *The Objective Quality* "?????" or The "surface" of "A" discrete MIND.
- The *Act of Giving* "birth" through *The Concentrating* of "IN-FORMATION" or The *Action of Protecting* "A" discrete MIND "IN-SIDE" a boundary.
- The "surface" of *The Objective Quality* referred to by The "terms" "IN-FORMATION" or "DATA".
- All "IN-FORMATION" is the *Description* of the *Relationship* between 2 discrete "?????" or "A" discrete MIND *inter-acting* with "An-Other" MIND's boundary.

## The "Containing / Protecting" of a "Particle" during the "Penetration" of a "Boundary"

- A "*Symmetry Argument*" for The "IN-FORMATION" *involved in* The "con-sideration" of The "IN-FORMATION" *represented by* :-
  - (i) The "IN-SIDE" of a MIND, and
  - (ii) The "SURFACE" of a MIND.
- The "learning" of The "IN-FORMATION" "IN-SIDE" a MIND through The "study" of its "SURFACE".

## The "IN-SIDE / OUT-SIDE" "Boundary Problem" of a "Schizophrenic MIND"

- A "Schizophrenic" MIND is *Not-Well-Enough* "IN-FORMED", *Behind-A-Boundary, To-Be-Comfortably* "IN"

## The "Breaking" of A "Law" through both "Side" of A "Boundary"

- My "Containment" by You :- "UNDER" the "Mental Health Act".
- Your "Protection" from Me :- "OVER" the "Mental Health Act".
- The "STONING" of an "UNDER / OVER" "Professional" "STONE-DEAD / STANDARD" "Medical Professional".

The above is meant to be an exposition of my understanding of the MIND, and Hopefully, you will come to similar conclusions about your own consciousness.

Saur's Nipple

**There exists both good and bad sin.**

**Good sin is to your advantage at Dr Jesus' expense.**

**Bad sin is to your advantage at the expense of some entity other than Dr Jesus.**

**Bad sin is to your advantage at the expense of Helen "????".**

**Only bad sin needs to be forgiven and this is done through the settling of accounts with Dr Jesus.**

**I pray that Dr Jesus is a better psycho-therapist than Wayne gives Him credit for and He is offering enlightenment through the teaching of the "tidbit of spiritual advice" that we are all bad sinners and we would all benefit from a good understanding curtesy of Dr Jesus.**

A Crap Particle is called into existence when the mind in absolute isolation has complete knowledge of a discrete entity through all time. One could think of this as a formula exists in which time is an unconstrained variable and position is a variable that can be computed from the point of view of the mind in absolute isolation.

Hello Oded,

One must accept that one's existence is imperfect, because of the disturbing influences originating from those opposite sexed entities with which we are "logically-constrained" to share our Universe with, and with which our lives would be infinitely poorer without :- but your "logic-is-flawed" if you actually think that you can build a "computing-machine" that is "discrete" and "logically-correct" and "self-contained" based upon this "principle-of-creation" as far as the "deliberate-realization-of-imperfection" is concerned !!!!

Hello Oded,

However, "quantum mechanics" allows "the qubit" to be in a "coherent" superposition of "both" "states" / "levels" simultaneously, a property which is fundamental to quantum mechanics and quantum computing.  
However, "quantum mechanics" allows "the arsehole" to be in a "coherent" superposition of "both" "states" / "genders" simultaneously, a property which is fundamental to quantum mechanics and quantum computing.

**In our Universe, the "fundamental" qualities "POSITION" and "TIME" "initially" did not "vary" with respect to each other for all "discrete entity" in it.**
