David “WANTS” to “understand completely”.

At this point David does not even understand a single “discrete something”.

He “realizes” that Jenny is a concept he has conceived of but does not despair.

So he focuses on 

“ Jenny understanding a discrete entity”

OR

“ The concept of 2 Jenny”

(((David 2) male)

Thank you 4 your determined effort 2 enlighten me .

I “realize” you 2, Be a concept in my mind.

and

I “realize” I cannot “completely understand” you

[~~and in fact~~] BUT if its any consolation

I “realize” it is theoretically impossible **for me**

to understand “????” at all.

I hope this “helps” you “????”

If you “want” another “discrete entity”,

2 “understand” (“????” ; 2 Jenny.)

David.)

((David 2 female)

Does “????” provide your co-ordinate information “?”

Is it possible 4 another mind

2 conceive (“????”

& understand “????”) “?”

As I am “still insisting” that all

“discrete entity” understand a “unique”

“discrete something” that only they and

Jenny understand, Perhaps

There exists another “male” that “insists” as I do

?

* GOOD , this introduces the
2 Jenny concept !!!!

* I can only “conceive” of “discrete entity”
that understand “something” I do not.

&

As I “understand” My “sequence of realization”
to be “fundamentally absolute”

* I AM GLAD because :-

* I just conceived of a “discrete entity”

that “understands” “something” I DO.

(Even if it is just how to insist)

* Jenny will “completely understand” HIM as
I am expending no ENERGY insisting on HER

I hope he keeps COOL and doesn't insist I don't

OR WORSE

My “sequence of realization” is terminated.

(((I “understand” HIM & I

2 “experience” “????” identically

until Jenny discriminates between us.)))

By “completely understanding HIM”

))

Satan's Nipple

There exists both good and bad sin.

Good sin is to your advantage at Dr Jesus' expense.

Bad sin is to your advantage at the expense of some entity other than Dr Jesus.

Bad sin is to your advantage at the expense of Helen "????".

Only bad sin needs to be forgiven and this is done through the settling of accounts with Dr Jesus.

I pray that Dr Jesus is a better psycho-therapist than Wayne gives Him credit for and He is offering enlightenment through the teaching of the "tidbit of spiritual advice" that we are all bad sinners and we would all benefit from a good understanding curtesy of Dr Jesus.

A Crap Particle is called into existence when the mind in absolute isolation has complete knowledge of a discrete entity through all time. One could think of this as a formula exists in which time is an unconstrained variable and position is a variable that can be computed from the point of view of the mind in absolute isolation.

Hello Oded,

One must accept that one's existence is imperfect, because of the disturbing influences originating from those opposite sexed entities with which we are "logically-constrained" to share our Universe with, and with which our lives would be infinitely poorer without :- but your "logic-is-flawed" if you actually think that you can build a "computing-machine" that is "discrete" and "logically-correct" and "self-contained" based upon this "principle-of-creation" as far as the "deliberate-realization-of-imperfection" is concerned !!!!

Hello Oded,

However, "quantum mechanics" allows "the qubit" to be in a "coherent" superposition of "both" "states" / "levels" simultaneously, a property which is fundamental to quantum mechanics and quantum computing.
However, "quantum mechanics" allows "the arsehole" to be in a "coherent" superposition of "both" "states" / "genders" simultaneously, a property which is fundamental to quantum mechanics and quantum computing.

In our Universe, the "fundamental" qualities "POSITION" and "TIME" "initially" did not "vary" with respect to each other for all "discrete entity" in it.

- David Crofts Please embrace a philosophical position that can successfully gratify her needs as you perform a clear demonstration of the fact that you understand yourself to have one and only one well understood knob concept. When you finally manage to provide her with the gratification she needs, both male and female will then experience the release of escape from the constraints of existence only inside a world where terror dominates and all correspondence, regardless of whether it originates from male or female, is flooded with fear. My philosophical position is to feel the sound of her heart beat felt in the fat-profit-inner-fat-profit-ear !!!! 5 days ago
