

## Friday, 30 November 2018

TODAY WAS GOODENOUGH FRIDAY !!!!

Good Friday is a Christian holiday commemorating the crucifixion of Jesus and his death at Calvary. It is observed during Holy Week as part of the Paschal Triduum on the Friday preceding Easter Sunday, and may coincide with the Jewish observance of Passover.

- I define Every [Friday](#) to be “Goodenough” [Friday](#) where we “fuel” up “[Helen](#)” for :-
- the “coming” [Saturday](#) where she undoes the last working week’s lot of insane mechanical screws and “consolidates” them onto **the hard on circle concept** of both un-divide-you-all him & her.

In the Northern Hemisphere the vernal equinox falls about **March 20** or **21**, as the Sun crosses the celestial equator going north. In the Southern Hemisphere the equinox occurs on **September 22** or **23**, when the Sun moves south across the celestial equator.

**March 21.** In 325CE the Council of Nicaea established that Easter would be held on the first Sunday after the first Full Moon occurring on or after the vernal equinox. From that point forward, the Easter date depended on the ecclesiastical approximation of **March 21** for the vernal equinox.

**March 20.** Mr Jesus Christ’s conception day & My Mother’s birthday.

**December 25.** ONE WEEK TILL NEW YEAR’S DAY !!!!

**December 25.** ... , ONE WEEK OF WAITING ( 4 ) NEW YEARS DAY )) / ( [FATHER COLIN IS IN COMMON TO BOTH HELEN & MY MOTHER](#) ) .....

---

The earliest source stating 25 December as the date of birth of Jesus is likely by Hippolytus of Rome, written very early in the 3rd century, based on the assumption that the conception of Jesus took place at the Spring equinox which he placed on 25 March, and then added nine months – festivals on that date were then celebrated. 25 March would also roughly be the date of his crucifixion, which ancient Christians would have seen as confirming the date of his birth, since there was a notion that the great prophets were conceived into the afterlife on the same date they were conceived into the world.

The **March 20** or **21** equinox appears to be the anniversary that is nailed to Jesus’ lifetime !!!!
