“God’s Grandeur” Gerard Manley Hopkins (1844–1889)

The world is charged with the grandeur of God.
It will flame out, like shining from shook foil;
It gathers to a greatness, like the ooze of oil Crushed.
Why do men then now not reckon his rod?
Generations have trod, have trod, have trod;
And all is seared with trade; bleared, smeared with toil,
And wears man’s smudge and shares man’s smell;
the soil is bare now, nor can foot feel, being shod.

And for all this, nature is never spent;
There lives the dearest freshness deep down things;
And though the last lights off the black West went,
Oh, morning, at the brown brink eastward, springs—
Because the Holy Ghost over the bent World broods
with warm breast and with ah! bright wings.

Sound/Video Upgrade Appeal 2019

BAC is a growing church with a strong emphasis on clear preaching and excellent music. As well as four congregations there are training courses, funerals and other events that make use of our audio and video systems. Our current speakers are cumbersome and hard to manage well.

We hope to improve our audio and video systems and upgrade to a bigger and clearer wide screen. More information is available in the flyer in the foyer.

Please prayerfully consider making a one off extra gift to our target of \$16,300. You can make a cash donation in a marked envelope in the collection or via bank transfer:

BSB: 033609 (Westpac) Account: 250772
Account Name: Berwick Anglican Church
Comment: "Sound Upgrade" (important)

Financial Giving Update
As at 30 April 2019

Budget: \$185,500
 Collection: \$170,444
 (\$15,055 behind budget)
 Electronic: \$101,785
 (which is 60% of all collection)

Please pray about our budget shortfall. If you are new to BAC or have not reviewed your giving recently, please pray about what God is calling you to give to support your local church and our great mission to Casey and Cardinia.

Our attendances have been strong all year, and we are keen to catch up to our Budget Vision.

Should you wish to implement e-giving the BAC account details are as follows:
