ATTN :- Emma Montgomery !!!!

You seem to be hell bent on hammering yourself ever deeper into a corner that has no exit !!!!

You arrogant "**FEMALE**" @\$% !!!!

YOU CAN ONLY @\$% THESE "**ORDERS**" OFF !!!!

I now require a statement of objective-reasons for 4/9/2015 && 2/9/2016 && "all" my future hearings !!!!

(If you make "**ORDERS**" correctly;
(you would @\$% "**EVERY**" 52 weeks
(&& say that "**HE**" needs to be re-assessed "**EVERY**" week
(&& NOT-EVER-E2)))) !!!!

ATTN :- Emma Montgomery !!!!

Dear Madam,

Please provide sufficient evidence to show that you have; in fact, both complied with; and performed, your logically indicated function; as specified in my attached email !!!!

Sincerely,

David Crofts.

P.S.

If; as I strongly suspect; you have not complied with and/or performed; your logically indicated function; it is clear to me, that this email is sufficient for you, to arrange another time to, correctly validate my treatment order, with no need, for me, to make, an explicit appeal !!!! Should you claim that this email is an in-sufficient appeal, I believe that "@#\$\$% YOU" is the response that is indicated !!!!

ATTN :- Emma Montgomery !!!!

Dear Madam,

When it comes to "necessary-immediate-treatment", either "in-hospital" or "in-the-wider-world", "the-only-factor-of-significance" is "the-size-of-my-hit-of-depot-medication" !!!!

When it comes to doing "Fluanxol" by the numbers, I happily did it a FIVE, until the mystery of the "FUCK" with Stacie of the Crisis Assessment Team !!!!

Now, the medical profession insist that the number is TWO, and I have since received multiple irreversible "FUCKS" using this number !!!!

You "BEND-OUT" (like a FEMALE) and do not "CUM-IN" quite hard enough as you chose ONE "year" over ONE "week" as the indicated "period" for re-assessment !!!!

It is clear that your only function is to provide some "vaginal-release" for "all" parties involved in this male "head-to-head" disagreement !!!!

Sincerely,

David Crofts.

P.S.

"You will never go against the certifying psychiatrist and un-certify me because the first thing I will do in that case is to notify AHPRA that both you & me agree that he has broken the law as laid down by the mental health act" !!!!
