IT IS IMPOSSIBLE TO LOGICALLY CONTINUE THIS EXCHANGE (((SO I WILL JUST EJACULATE THIS

My only way forward now is to attempt to steal the release meant for those on the side opposite to the patient ...

You seem to consider "assertive follow up" the point of the exercise and have no regard for the end point that you are supposedly trying to achieve !!!!

All your stated goals can be achieved through the issuing of a once only threat of punishment for non-compliance !!!!

I can accept this as being in my greater interests, because as champion of the mentally ill, we cannot have victory over our tormentors unless we first hold them to account through the engagement of our enemy !!!!

Unfortunately, "assertive follow up" for me simply consists of a sequence of exchanges involving me telling them to "GET FUCKED !!!!" at regular intervals !!!!

"Psycho-analysis" is in the realm of private psychiatry and you have explicitly forbidden this from me through your determination here in this matter !!!!

In 1973, the American Psychiatric Association declassified homosexuality as a mental disorder !!!!

In 2015, the American Psychiatric Association will declassify anti-doctor-ism as a mental disorder !!!!

"NOT UP" :- "ALL ARSEHOLES" (from yesteryear's day (01/01/2015 00:00:00)) !!!!

"NOT IN" :- "ALL CUNTS" (in 2 yesterday) !!!!

It is clear that your only function would be improved if you provided some "objective-analysis" for "all" parties involved in this anal "[arseholes-both-ways](#)" disagreement !!!!

It is clear that your only function is to provide some "vaginal-release" for "all" parties involved in this male "head-to-head" disagreement !!!!
