Dear Sir/Madam,

I am a person diagnosed as schizophrenic.

I only accept this diagnosis as I have made the painful realization that I "need" my schizophrenia medication.

As a viewer of Foxtel, I have been bombarded with Russell Crowe's advertisement for The Australian Schizophrenia Research Bank.

Being a "paranoid schizophrenic" I believe this advertisement works to further your stated aims through its actual propagation and, to collect on this, you only need contact from "concerned" individuals.

So here it is !!!!

I wish you the best of luck in your endeavours.
