Dear Mr Crofts,

I note that you have been in hospital for some time now. I believe that you will be followed up by the Continuing Care Team or Mobile Support Team on discharge. In such cases follow up and management through private Psychiatry is not required or suitable.

I have therefore discharged you from my care and wish you all the best in the future.

Kind regards,

Dr Colin McIver

Dear Colin,

It seems where my interactions with the medical profession are concerned,
I am "not-the-only-one" :- "who" :- "likes-two-say" :- "fuck off" ????

<http://www.davidcrofts.com.au/my-inspired-documents/my-mental-health-act-2015>

(Your NOT required) is (NOT-UP-2) :- (an-acceptable-standard-4) :- (My NOT Bank) !!!!

<http://www.davidcrofts.com.au/my-inspired-documents/medicare-australia/arseholes-both-ways>

Maybe when these @\$%-ed up pieces of @\$%, no longer insist upon getting
into my face; you will offer two; once again; "address-the-point" & we can
again do some actual psycho-therapy together

Sincerely,

David Crofts.

I am David & I am going to pull Das's trick with Reilly !!!!

I am going to take a page out of Reilly's book and send to Das a trapper-bating document (like Reilly did to Saji) and as a consequence lock him up in a Reilly trap bound in marriage and hence as Das feedsback to my Reilly I am released to feed it forward to Helen !!!!
