 YOUTUBE.COM
Paul Kelly - How To Make Gravy (Official Video)

15h  

A screenshot of a Facebook chat window. The chat history shows three messages:

- A message from 'David Crofts Incorporated' (profile picture: a colorful cube) with the text ':-' and two links: <https://tinyurl.com/epistle-of-apostle-paul-kelly> and <https://tinyurl.com/epistle-of-apostle-reece-kelly>.
- A video call recording from 'Reece Kelly' (profile picture: a man with a surprised expression). The video shows a man in a dark shirt with a wide-eyed, open-mouthed expression. The name 'Reece Kelly' is visible at the bottom left of the video frame. There is a 'Mute' button and a '3' next to a speech bubble icon at the top right of the video frame.
- A message from 'David Crofts' (profile picture: a blue circle with a white 'D') with the text ':-' and a link: <http://tinyurl.com/up-christ>.

Timestamps '15 h' and '7 h' are visible below the messages.

Dangerous | www.davidcrofts.com/my-inspired-associates/the-chisel-from-ibm.htm

Deceptive site ahead

Attackers on **www.davidcrofts.com** may trick you into doing something dangerous like installing software or revealing your personal information (for example, passwords, phone numbers, or credit cards). [Learn more](#)

Help improve Safe Browsing by sending some [system information and page content](#) to Google. [Privacy policy](#)

[Details](#) [Back to in-security](#)

Google Safe Browsing recently [detected phishing](#) on [www.davidcrofts.com](#). Phishing sites pretend to be other websites to trick you.

You can [report a detection problem](#) or, if you understand the risks to your security, visit [this un-safe site](#).

This Deceptive website warning is clearly bogus as Google Safe Browsing should know the source code of all webpages of **www.davidcrofts.com** contain no data entry holes.

All that is being offered in the way of data entry is to select between offered options.

Also Google Chrome should know that no flaw exists in its web browser's software permitting the un-intentional opening of downloaded software installation packages.
