"... the polarization of a single creation ..." :-
Sometimes as I wander about on Earth;
left & right, back & forth :- && :- UP and NOT-UP (from TIME 2 TIME) :-
I feel like a CREATION PARTICLE of RADIATION !!!!

"... the polarization of a single photon ..." :-
Sometimes as I wander about my kitchen;
left & right, back & forth :- && :- UP and NOT-UP (from TIME 2 TIME) :-
I feel like a SINGLE PHOTON !!!!

Talking about @\$% Superposition :-
"Schrödinger's cat" does NOT present a paradox.
It is absurd to consider the cat, both alive and dead, as "all" "information" about the cat
is "determined" by "The Mind in absolute isolation" as he performs his "analysis".
