As the "dis-agreement" in cyber sin with Iran begins to turn into the typical "marriage" between those of the opposite sex, it seems that only Obama has the "nuclear-fuel" to inject or poke a little fun into the world today !!!!

Obama Pokes Fun at Journalists, Politicians at Gridiron Dinner

U.S. President Barack Obama poked fun at himself and the political and media landscape Saturday night at the annual dinner of the Gridiron Club, a...
