Because the US has allowed the Iranians enough freedom to develop their country into a modern nuclear power, it is clear that they feel the Iranians have also achieved the minimum level of responsibility necessary to be allowed to act as fully authorized world citizens !!!! Clearly the Russians also share this belief, so it appears equally clear the US is contradicting itself when it objects to the referred to air defense deal simply because it finds it hard to disagree with Israel !!!!

Russian Missile Deliveries to Iran Could Begin in Late 2015

A senior Iranian official said Tuesday that Russia could begin delivering sophisticated S-300 air defense systems to Iran by the end of this year. The statement to Russia's...
