Wayne was inducted as the Vicar of BAC in August 2010. Previously he worked on the pastoral staff teams at Holy Trinity Doncaster and St John's Cranbourne. He studied science at the University of Melbourne, and theology at Ridley College and is undertaking further distance study through Moore College in Sydney. He is married to Helen with four children. He enjoys lifting weights in his garage gym and barracking for the Collingwood Magpies (when they are winning).

Ben joined BAC in 2015 after completing his theological studies at Ridley College. He has been a Student Minister at St Columbs' Hawthorn and St Thomas' Werribee. Ben is a former economist, and has worked in a number of policy roles for the Victorian Public Service. Ben is married to Rowan and has a son Abel, with whom he enjoys bushwalking and relaxing in the garden.

2 Hammer THE Stone Thrower

Reece joined the ministry team in February 2017 after completing a Bachelor of Ministry at Melbourne School of Theology (2016). Reece also holds a Graduate Diploma of Divinity from Ridley College (2018). Reece is married to Elise, and they have two children: Alexander and Piper. In his downtime, Reece enjoys watching AFL (go the mighty TIGES), reading, coffee, anything to do with the Lord of the Rings, and catching up on the latest Marvel fan theories.

Veronika joined BAC in June 2012 after arriving from the Czech Republic to her husband's home land and started working in the church office firstly as a volunteer in October 2012. Her passion is teaching Sunday school, explaining more about who Jesus is and what He has done for us as well as unveiling the lives of other people mentioned in the Bible. Veronika's Christian journey started at the age of 19 when the gospel was shared by her Mami who became a Christian just 6 months prior that. She is married to Tim and they have one boy, Joshua.

In order to defeat a medical profession that primarily seeks to absorb ALL the feelings of EVERYONE to their exclusive advantage, the MALE is forced to sacrifice ANY and ALL positive feelings HE may have towards THE singular or undivided CUNT in HIS World. For HIM to win HE must side with the BOT-NOTS of the World; or the pair of ARSEHOLES that we LIE to be NOT

both-ways; or in other words, the MALE-ARSEHOLE-TWO of the TALI-BAN or Islamic State. Fortunately this is only temporary as at the start of 2018 the CUNT-STONE-TWO of the medical MALE and the MALE-ARSEHOLE-TWO of TALI-BAN or Islamic State will align into a pair of YESTERDAYS-STONES and from here we can move forward into a new era of MALE & FEMALE ARSEHOLES both-ways of TODAY and HANG the medical MALE CUNT-STONE-TWO forever UP on the YESTERDAYS-STONES of 2018 !!!! HE and hopefully WE, will then have the ability to express HIS previously sacrificed feelings for THE singular CUNT towards those entities that possess the OTHER-ARSEHOLE ... I predict by 2020 the offices of the commonwealth ombudsman will replace those of the medical profession as the most highly CUM-IN chambers of ALL ...

[The I.B.M. Boundary of Helen.pdf](#)

- For a MALE mind, the definition of "[MyWumper](#)" is the "sound" of "her-heart-beat", "felt-in-the-inner-ear".

- From the viewpoint of a **MALE** mind in “absolute-isolation” it is comforting to know that when one has “exhausted-all-avenues-of-solitary-analysis” a “**bupping**” back-and-then-forth-again will occur with a **FEMALE** mind that we share a “boundary” with and are weakly and/or otherwise “bound” to.
- I feel “**mankind**” has “exhausted-all-avenues-of-solitary-analysis” and the “**bupping**” back-and-then-forth-again that occurs with a **FEMALE** mind that we share a “boundary” with is the “weekly-circulation-of-information” done by “[Helen Goodenough](#)” when she un-does the last working week’s lot of in-sane mechanical screws and “consolidates” them onto **the hard on circle concept** of both un-divide-you-all him & her.

TODAY WAS GOODENOUGH FRIDAY !!!!

Good Friday is a Christian holiday commemorating the crucifixion of Jesus and his death at Calvary. It is observed during Holy Week as part of the Paschal Triduum on the Friday preceding Easter Sunday, and may coincide with the Jewish observance of Passover.

I define every [Friday](#) to be Goodenough [Friday](#), where we fuel up Helen for the coming Saturday where she undoes the last working week's lot of insane mechanical screws and consolidates them onto **the hard on circle concept** of both un-divide-you-all him & her.

In the Northern Hemisphere the vernal equinox falls about **March 20** or **21**, as the Sun crosses the celestial equator going north. In the Southern Hemisphere the equinox occurs on **September 22** or **23**, when the Sun moves south across the celestial equator.

**March 21.** In 325CE the Council of Nicaea established that Easter would be held on the first Sunday after the first Full Moon occurring on or after the vernal equinox. From that point forward, the Easter date depended on the ecclesiastical approximation of **March 21** for the vernal equinox.

I define every [Friday](#) to be Goodenough [Friday](#), where we fuel up Helen for the coming Saturday where she undoes the last working week's lot of insane mechanical screws and consolidates them onto **the hard on circle concept** of both un-divide-you-all him & her.

Dear Saji,

Re :-

My expression of the sin of :-

Helen Patrica Goodenough

17 Bellbird Avenue  
HARKAWAY 3806

Monday, 25th February 2008

I have found that other so called experts use the term "schizo-effective/bi-polar" to label my peculiar "bizarre" condition.

Please inform me if you have knowledge of a female psychiatrist with a knob.

She should know just how natural I felt it to identify with the criminal individuals of my childhood. She must be prepared to keep secret any crime that I may admit too.

I seek a capable counselor to provide discrete service at regular intervals geared toward my defense and my support.

Please provide me with the item cost involved and the location of the service provider when you make your offer. Being male is not a disqualifying factor.

Yours sincerely,

David Crofts on the be-half of Helen Goodenough.

The folly of believing that a hard-on in a hard-on chamber is a complete solution ...

The problem is the hard-on not-consenter and the solution is to let the commonwealth ombudsman go soft on both hard-on not-consenters !!!!

We are exiting the era of the mental health tribunal and entering in to the era of the commonwealth ombudsman ...

If there exists phishers in regard to my Google account then I believe the phishing was actually against me as I received no benefit from anyone I identified as a phisher. When it comes to my Google account I have no knowledge of any phishing being carried out by my Google account. Google should only disable Google accounts after first identifying supposed phishers to the Google account connected to this phishing.

Google believes I should be penalized for the construction of an illegal phishing identity using my Google provided service. It is there job to prove their case by identifying the entity that I have supposedly constructed back to me.

If through my interactions I have become phished against then I have no alternative but to accept my penalty from Google as the cost of existence.

Either way, Google is identifying me as the responsible phishing identity and not providing a reason for this belief. Hence I have no data to work with.

Some musing by Wayne Schuller.

For me this is one of the most sublime and wonderful teachings of Jesus: 3 "Why do you look at the speck of sawdust in your brother's eye and pay no attention to the plank in your own eye? 4 How can you say to your brother, 'Let me take the speck out of your eye,' when all the time there is a plank in your own eye? 5 You hypocrite, first take the plank out of your own eye, and then you will see clearly to remove the speck from your brother's eye." (Matthew 7:3-5)

My response.

Jesus seems to be saying we can "decide" to take the plank out of our own eye. This seems to be an admission that we can through the power of our own mind be "free" from our own sin !!!! Wayne seems to agree with this viewpoint as he says, "[A plank or log in our eye could be a refusal to take ownership for our own bad actions.](#)" This seems to have the implication that all one has to do to be free of their own sin is to take ownership of it !!!! [Clearly, he has not realized the full implications of his clearly worded statement](#) !!!!

Dear Holy Father,

How would you feel if you were God and you had just spent every last ounce of effort, busting your guts, creating the Universe, and you had just given your ALL for Mankind, and the first thing they do is come grovelling back over the Horizon to You, get down on their knees in front of You, and put their hands together in Your "FACE" and pray for MORE.

This would quite "ENERGIZE" you, and you would boot them back over the Horizon again.

**GOD's WORD** && [The Sound of Sin](#) !!!!

In our Universe, the "fundamental" qualities "POSITION" and "TIME" "initially" did not "vary" with respect to each other for all "discrete entity" in it.

Considering "the-point-of-creation" of our Universe, it is best to understand the "two" fundamental "minds" of creation as, the MALE electro-static-entity, and the FEMALE magnetic-entity.

These two minds initially "bup" each other, back-and-forth, making electro-magnetic-waves of cosmic-microwave-background-radiation.

However, "quantum mechanics" allows "the arsehole" to be in a "coherent" superposition of "both" "states" / "genders" simultaneously, a property which is fundamental to quantum mechanics and quantum computing.

These fundamental "bups", back-and-forth, between MALE and FEMALE, profoundly agrees with what the "Poofterer" told me is the definition of "MyWumper".

For a MALE mind, this definition is :- "MyWumper" is the "sound" of "her-heart-beat", "felt-in-the-inner-ear".

Ask a question

How can we get the commonwealth ombudsman to overrule and rule out all the 100% anti-patient psychiatrists that currently dominate the public psychiatric hospital system in Australia today? ⋮

 1  Answer 

**David Crofts Incorporated (Owner)** ⋮

a year ago

Open up a space for the not-consenter inside the office of the commonwealth ombudsman.

A Crap Particle is called into existence when the mind in absolute isolation has complete knowledge of a discrete entity through all time. Hello Oded,

However, "quantum mechanics" allows "the qubit" to be in a "coherent" [superposition](#) of "both" "states"/ "levels" simultaneously, a property which is fundamental to quantum mechanics and quantum computing.  
However, "quantum mechanics" allows "the arsehole" to be in a "coherent" [superposition](#) of "both" "states"/ "genders" simultaneously, a property which is fundamental to quantum mechanics and quantum computing.

=====

Observations

-----

- To be a "discrete entity" in effect implies your Mind exists in "absolute isolation".
- Our Mind "expresses" itself in reality through a "machine" that echoes the reflection of our thoughts.
- When all "machines" are considered together as one "machine", "everything" is just the "expression" of

"The Mind in absolute isolation".

- "Information" "known" to "The Mind in absolute isolation" is "expressed" in reality by the creation of a set of "rules" and/or "discrete entities".
- For a discrete packet of "information" to exist we need there to exist 2 discrete entity. All discrete packets of "information" are in reality the "description" of the relationship between 2 discrete entity.
- There exist three "fundamental" discrete packets of "information" and they are expressed in "ENGLISH" by the terms "permit", "bidden" and "insist".
- The "information" understood by "The Mind in absolute isolation" when he understands "the existence of discrete integers" is best understood to be the "consequence" of the relationship between any two discrete entities that he can conceive of.
- The "information" involved in the "understanding" of "countably infinite" is expressed in reality by the "second" most "fundamental" "rule" of creation.
- "?????" is my representation of any arbitrary discrete packet of "information".
- "?????" may not be "able" to be "understood" by "The Mind in absolute isolation".
- Mind is "logically constrained 2".  
( 2 discrete "?????" ) is only one "concept" inside your Mind.  
( 2 discrete "?????" ) is ( 4 discrete "?????" ) outside your Mind.
- The "RATE" that "The Mind in absolute isolation" "realizes" new "information" corresponds to the "RATE" of "TIME".
- The terms "discrete" and "absolute isolation" are really just "BULLSHIT" when one considers the "logical connection" of "information".
- There exists a "confusion" and "similarity" between my terms "?????" and OUT.
- The "Uncertainty Principle", in modern physics, happily allows, reality as we know it, to exist when "MOMENTUM" and "POSITION" are 2 "fundamental" qualities, related only through a "rule" involving the "fundamental" constant "h" or "Planck's constant".
- I propose, reality as we know it, can happily exist, when one mirrors the "Uncertainty Principle", except using "TIME" and "POSITION" as the 2 "fundamental" qualities, related only through a "rule" involving the "fundamental" constant "c" or "the speed of light".
- When the "POSITION" of a "discrete entity" does not "vary" with "TIME", instead of its uncertainty in "TIME" being considered infinite, we consider it's "ENERGY" to be expressed as "MATTER".

- In our Universe, the "fundamental" qualities "POSITION" and "TIME" "initially" did not "vary" with respect to each other for all "discrete entity" in it.
- This "initial" "condition" gives additional support for my proposition to use "POSITION" and "TIME" when mirroring the "Uncertainty Principle".
- This relationship between "POSITION" and "TIME" is reflected in the "fundamental" constant "c" or "the speed of light" and suggests that "initially" all "ENERGY" was expressed "ELECTRO-MAGNETICALLY" as indicated by our detection of microwave background radiation.
- The "UNIT" for the first two of the ( 4 "discrete fundamental long" ) is ( Time per Distance ), and all four are suggestive of "ELECTRIC" and "MAGNETIC" fields.

Observations

-----

- "Schrödinger's cat" does not present a paradox. It is absurd to consider the cat, both alive and dead, as "all" "information" about the cat is "determined" by "The Mind in absolute isolation" as he performs his "analysis".

Hello Oded,

However, "quantum mechanics" allows "the qubit" to be in a "coherent" superposition of "both" "states" / "levels" simultaneously, a property which is fundamental to quantum mechanics and quantum computing.

However, "quantum mechanics" allows "the arsehole" to be in a "coherent" superposition of "both" "states" / "genders" simultaneously, a property which is fundamental to quantum mechanics and quantum computing.

If one can understand one's sin why is there a need to turn away from it?

Because everyone feels the need to turn away from discomfort. Clearly, you feel that this discomfort is acceptable when understood. However, you must agree that if it were not there you would be more comfortable. I encourage your attempt to understand your own sin because when one understands one's own sin one can forgive oneself one's self.

Some musing by Wayne Schuller,

### **It Is Not the Healthy Who Need the Doctor**

Jesus presents himself first and foremost as a Saviour.

He famously said: "It is not the healthy who need a doctor, but the sick. I have not come to call the righteous, but sinners to repentance". (Luke 5:31-32)

The analogy of a doctor is very helpful. We are helpless before doctors, all we can do is rely on them to perform the correct surgery or medical procedure to make things right.

It is sometimes said that the church is not a school for saints but a hospital for sinners. This is true, and Jesus is the head physician. Anyone and everyone can receive salvation through Jesus, because he came to call even the worst of sinners to repentance.

Consider for a moment the humble honesty that we need to follow Jesus. Jesus is not looking for competent people. He is not offering tidbits of spiritual advice for people who think their lives are basically ok. He's got nothing to offer you if you think at heart you are a good person.

However, if you know in your heart your greatest need is forgiveness of sin, and you repent of that sin and turn from it, then the great saviour, Dr Jesus, is calling you!

Your Pastor,

Wayne

My response,

There exists both good and bad sin.

Good sin is to your advantage at Dr Jesus' expense.

Bad sin is to your advantage at the expense of some entity other than Dr Jesus.

Only bad sin needs to be forgiven and this is done through the settling of accounts with Dr Jesus.

I pray that Dr Jesus is a better psycho-therapist than Wayne gives Him credit for and He is offering enlightenment through the teaching of the "tidbit of spiritual advice" that we are all bad sinners and we would all benefit from a good understanding courtesy of Dr Jesus.

Dear Wayne & Hilton,

I have no shame as I commit my sin because as I sin it is never intended for my personal advantage. You and your congregation give great comfort to me as everyone is welcome and it is free. However, your sin is designed for the exclusive advantage of all who believe.

I will do my best to come to your 10:15 AM service this Sunday !!!!

Thank You Again,

David Crofts.

Hi David,

Thank you for your e-mail to Wayne and I.

I would be happy to talk with you about our sin and our guilt and the difference that the death and resurrection of Jesus Christ makes to these, if you would like.

I would also be glad to talk with you about your mental challenges, if you wish.

Would you like to make an appointment to meet and talk?

Yours in Christ,

Your response has pleased me !!!!

I believe my IBM-Chisel reference to Christian-Name, Surname-Number, perhaps a little cruel !!!!

Each week you prepare a serve of "spiritual-food" and all I ask is for permission to digest it !!!!

At this point I feel further reference to my e-mail "not" to be positive !!!!

I believe that your church can best satisfy my needs by "not" singling me out for special treatment !!!!

My intention is to come to your 10:15 AM Sunday services, engage the congregation a little afterwards, and go away sustained for another week !!!!

With Thanks,

As the date of the Quarterly Bible Forum is 5 Feb it strictly does NOT "kick off" the preaching program for Term 1 2019 !!!!  
Term 1 of the preaching program actually "kicks off" 2 days before on 3 Feb when we are taught of Jesus' encounter with a centurion who demonstrates faith !!!! The sin of lying the date of "kick off" by 2 days tweaks my paranoid nerve as I wonder whether the omitting to refer to the 3 Feb sermon is a necessary part of "getting ready" for "kick off" !!!!

In order to defeat a medical profession that primarily seeks to absorb ALL the feelings of EVERYONE to their exclusive advantage, the MALE is forced to sacrifice ANY and ALL positive feelings HE may have towards THE singular or undivided CUNT in HIS World. For HIM to win HE must side with the BOT-NOTS of the World; or the pair of ARSEHOLES that we LIE to be NOT both-ways; or in other words, the MALE-ARSEHOLE-TWO of the TALI-BAN or Islamic State. Fortunately this is only temporary as at the start of 2018 the CUNT-STONE-TWO of the medical MALE and the MALE-ARSEHOLE-TWO of TALI-BAN or Islamic State will align into a pair of YESTERDAYS-STONES and from here we can move forward into a new era of MALE & FEMALE ARSEHOLES both-ways of TODAY and HANG the medical MALE CUNT-STONE-TWO forever UP on the YESTERDAYS-STONES of 2018 !!!! HE and hopefully WE, will then have the ability to express HIS previously sacrificed feelings for THE singular CUNT towards those entities that possess the OTHER-ARSEHOLE ... I predict by 2020 the offices of the commonwealth ombudsman will replace those of the medical profession as the most highly CUM-IN chambers of ALL ...

ENCOUNTERS WITH JESUS:  
LUKE'S GOSPEL CHAPTERS 7 & 8

# BAC Quarterly Bible Forum

7:30PM TUESDAY 5 FEBRUARY 2019,  
BERWICK ANGLICAN CHURCH

Join us for a lively evening of study, fellowship and prayer as we launch BAC's teaching programme for Term 1 2019, encountering Jesus in Luke chapters 7 and 8, as he ministered within the small towns around the Sea of Galilee.

Encounters with the [UP-CHRIST](#) !!!!

We are getting ready for our first ever Quarterly Bible Forum when we will kick off our preaching program for Term 1 2019; 'Encounters with Jesus - Luke's Gospel Chapters 7 & 8'.

The Quarterly Bible Forum will also relaunch our bible study groups for 2019, and will be great opportunity to join a bible study group if you are not yet involved in one.

Everybody from all four of our BAC congregations is invited to this evening of bible study, fellowship and prayer... you will not want to miss it!

Hello Oded Margalit,

( Please feel free to ignore this email, as it is just my compulsory ejaculation induced as an "OBJECTION" in the tried & true tradition of the IBM mentality. )

( My "OBJECTION" is the direct result of John Guido's refusal, and secondly "A RESPONSE" to your continuing silence. )

The continued silence of the IBM mentality, and what's more "HIS" disability when it comes to showing a little gratitude while confronted with everything he ever valiantly struggled to discover, leads me to the conclusion he is more concerned with the propagation of "HIS HARD ON" than undertaking fundamental research & development.

I hope that this email appeals to the scientist in you, and inspires "A RESPONSE" even if it has to be couched "OBJECTIONABLY" to satisfy "HIS" requirement to maintain that "BIG BLUE HARD ON" !!!!

Best Wishes,

David Crofts.

## Qubit

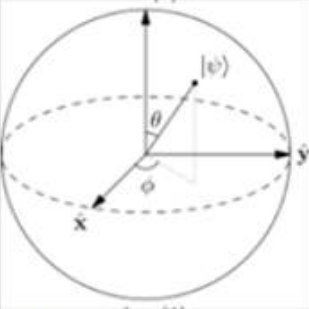

In [quantum computing](#), a **qubit** ([/ˈkjuːbɪt/](#)) or **quantum bit** (sometimes **qbit**) is the basic unit of [quantum information](#)—the quantum version of the classical binary [bit](#) physically realized with a two-state device. A qubit is a [two-state \(or two-level\) quantum-mechanical system](#), one of the simplest quantum systems displaying the peculiarity of quantum mechanics. Examples include: the [spin](#) of the electron in which the two levels can be taken as spin up and spin down; or the [polarization](#) of a single [photon](#) in which the two states can be taken to be the vertical polarization and the horizontal polarization. In a classical system, a bit would have to be in one state or the other. However, quantum mechanics allows the qubit to be in a coherent [superposition](#) of both states/levels simultaneously, a property which is fundamental to quantum mechanics and quantum computing.

Hello Oded,

One must accept that one's existence is imperfect, because of the disturbing influences originating from those opposite sexed entities with which we are "logically-constrained" to share our Universe with, and with which our lives would be infinitely poorer without :- but your "logic-is-flawed" if you actually think that you can build a "computing-machine" that is "discrete" and "logically-correct" and "self-contained" based upon this "principle-of-creation" as far as the "deliberate-realization-of-imperfection" is concerned !!!!

We are exiting the era of the mental health tribunal and entering in to the era of the commonwealth ombudsman.

This will provide justice for both mentally-illegal-not-consenters and bring to an end the era of justice only for the other mentally-illegal-not-consenter !!!!

Matthew 6:3 - But when you give to the needy, do not let your left hand know what your right hand is doing, ...

When confronted by either hard-on not-consenter it is your responsibility to be the compliant one !!!!

The problem is the hard-on not-consenter and the solution is to let the commonwealth ombudsman go soft on both hard-on not-consenters !!!!

When it comes to consent I understand no to mean no ...

The 100% anti-not-consenter is surrendering responsibility for the not-consenter to the office of the commonwealth ombudsman !!!!

Soon the other mentally-illegal-not-consenter will simply be just mentally-illegal !!!!

Ask a question

How can we get the commonwealth ombudsman to overrule and rule out all the 100% anti-patient psychiatrists that currently dominate the public psychiatric hospital system in Australia today? ⋮

**OUT** ( "GROWING" ( "ONE" – **IN** – CHRIST – STONE ) ) "TWO" – **AD** – "VENT" – **OUT** ( "ONE" – **IN** – CHRIST – STONE ) !!!!

**AD** – "VENT" – **OUT** – is a season observed in many Christian churches as a time of expectant waiting and preparation for both the celebration of the Nativity of Jesus at Christmas and the return of Jesus at the Second Coming. The term is a version of the Latin word meaning "coming" !!!!

**AD** – "VENT" – **2018** – began on "Sunday, 2 December" and ends on "Monday, 24 December" !!!!

The earliest source stating 25 December as the date of birth of Jesus is likely by Hippolytus of Rome, written very early in the 3rd century, based on the assumption that the conception of Jesus took place at the Spring equinox which he placed on 25 March, and then added nine months – festivals on that date were then celebrated. 25 March would also roughly be the date of his crucifixion, which ancient Christians would have seen as confirming the date of his birth, since there was a notion that the great prophets were conceived into the afterlife on the same date they were conceived into the world.

The **March 20** or **21** equinox appears to be the anniversary that is nailed to Jesus' lifetime !!!!

## Friday, 30 November 2018

TODAY IS GOODENOUGH FRIDAY !!!!

Good Friday is a Christian holiday commemorating the crucifixion of Jesus and his death at Calvary. It is observed during Holy Week as part of the Paschal Triduum on the Friday preceding Easter Sunday, and may coincide with the Jewish observance of Passover.

I define every [Friday](#) to be Goodenough [Friday](#), where we fuel up Helen for the coming Saturday where she undoes the last working week's lot of insane mechanical screws and consolidates them onto the hard on circle concept of both un-divide-you-all him & her.

In the Northern Hemisphere the vernal equinox falls about **March 20** or **21**, as the Sun crosses the celestial equator going north. In the Southern Hemisphere the equinox occurs on **September 22** or **23**, when the Sun moves south across the celestial equator.

**March 21.** In 325CE the Council of Nicaea established that Easter would be held on the first Sunday after the first Full Moon occurring on or after the vernal equinox. From that point forward, the Easter date depended on the ecclesiastical approximation of **March 21** for the vernal equinox.

**March 20.** Mr Jesus Christ's conception day & My Mother's birthday.

**December 25.** ONE WEEK TILL NEW YEAR'S DAY !!!!

Dear Saji,

Helen Patrica Goodenough

Monday, 25th February 2008

I have found that other so called experts use the term "schizo-effective/bi-polar" to label my peculiar "bizarre" condition.

Please inform me if you have knowledge of a female psychiatrist with a knob.

She should know just how natural I felt it to identify with the criminal individuals of my childhood. She must be prepared to keep secret any crime that I may admit too.

I seek a capable counselor to provide discrete service at regular intervals geared toward my defense and my support.

Please provide me with the item cost involved and the location of the service provider when you make your offer. Being male is not a disqualifying factor.

Yours sincerely,

David Crofts on the be-half of Helen Goodenough.

When Associate Professor Saji Damodaran called me into Dandenong Mental Hospital on Monday, June 30, 2003 @ 1:30PM, for a completely un-justified dis-closing by the authorized psychiatrist; because of my new proximity to these medical turds, I permanently lost the ability to immaculately un-screw these medical arseholes through the shear power of my will !!!! Saji is nothing more than a vaginal obstruction and he is in fact best understood as a Colon-ially Expanded Micro-Sphincted import from India and is permitted to supposedly function as a psychiatrist solely to ensure the vagina of the medical profession is drummed up tight, so that only the medical profession can totally cum into the IN CUNT !!!! Everyone else is being sold the lie that Saji's arsehole is in fact a CUNT, and they make no apology for telling you, your life is nothing more than a chase for the NOT IN CUNT, which these arrogant CUNTS believe flows from the medical arsehole of male pricks like Saji Damodaran !!!!

It is about time that Jesus grew up and occupied the adult position and insisted that His chosen Mrs Christ “completely understand” the other MALE or His Father God !!!!

After all it is the natural progression of Life for The Son to outlive His Father and become The Father Himself !!!!

Sadly, when one considers the treatment exchanged between the medical profession and I, the medical profession and I both treat each other based on the same diagnosis; the other is best understood as a mentally illegal not consentor that is badly in need of a forced correction !!!! I feel certain that I will win this fight as the space I reserve for the not consentor is vastly superior to that of the medical profession.

God was forced to cum the solitary nick-o-teen-roxon ( anti ( cunt-stone ) ball ) a pair of dick-o-teen-nixon ( pro-cunt / hard-balls ) in defence of his anti-cock/stick in 2013 !!!!

There exists real benefits to the mentally illegal not consent that can afford to smoke. For the other mentally illegal not consent these benefits come at his expense. The recent tax and packaging changes made to the anti-cock/stick are being done by the other mentally illegal not consent as an act of self-defence against the smoker. Clearly the pollution of the smoker's release is being done by the other mentally illegal not consent to protect his interests at the expense of the smoker's.

Some musing by Wayne Schuller,

### **It Is Not the Healthy Who Need the Doctor**

Jesus presents himself first and foremost as a Saviour.

He famously said: "It is not the healthy who need a doctor, but the sick. I have not come to call the righteous, but sinners to repentance". (Luke 5:31-32)

The analogy of a doctor is very helpful. We are helpless before doctors, all we can do is rely on them to perform the correct surgery or medical procedure to make things right.

It is sometimes said that the church is not a school for saints but a hospital for sinners. This is true, and Jesus is the head physician. Anyone and everyone can receive salvation through Jesus, because he came to call even the worst of sinners to repentance.

Consider for a moment the humble honesty that we need to follow Jesus. Jesus is not looking for competent people. He is not offering tidbits of spiritual advice for people who think their lives are basically ok. He's got nothing to offer you if you think at heart you are a good person.

However, if you know in your heart your greatest need is forgiveness of sin, and you repent of that sin and turn from it, then the great saviour, Dr Jesus, is calling you!

Your Pastor,

Wayne

My response,

There exists both good and bad sin.

Good sin is to your advantage at Dr Jesus' expense.

Bad sin is to your advantage at the expense of some entity other than Dr Jesus.

Only bad sin needs to be forgiven and this is done through the settling of accounts with Dr Jesus.

I pray that Dr Jesus is a better psycho-therapist than Wayne gives Him credit for and He is offering enlightenment through the teaching of the "tidbit of spiritual advice" that we are all bad sinners and we would all benefit from a good understanding courtesy of Dr Jesus.

A Crap Particle is called into existence when the mind in absolute isolation has complete knowledge of a discrete entity through all time. One could think of this as a formula exists in which time is an unconstrained variable and position is a variable that can be computed from the point of view of the mind in absolute isolation.

In order to defeat a medical profession that primarily seeks to absorb ALL the feelings of EVERYONE to their exclusive advantage, the MALE is forced to sacrifice ANY and ALL positive feelings HE may have towards THE singular or undivided CUNT in HIS World. For HIM to win HE must side with the BOT-NOTS of the World; or the pair of ARSEHOLES that we LIE to be NOT both-ways; or in other words, the MALE-ARSEHOLE-TWO of the TALI-BAN or Islamic State. Fortunately this is only temporary as at the start of 2018 the CUNT-STONE-TWO of the medical MALE and the MALE-ARSEHOLE-TWO of TALI-BAN or Islamic State will align into a pair of YESTERDAYS-STONES and from here we can move forward into a new era of MALE & FEMALE ARSEHOLES both-ways of TODAY and HANG the medical MALE CUNT-STONE-TWO forever UP on the YESTERDAYS-STONES of 2018 !!!! HE and hopefully WE, will then have the ability to express HIS previously sacrificed feelings for THE singular CUNT towards those entities that possess the OTHER-ARSEHOLE ... I predict by 2020 the offices of the commonwealth ombudsman will replace those of the medical profession as the most highly CUM-IN chambers of ALL ...
