Dear Sir/Madam,

Please provide to me all information possible regarding a call for police attendance at my home by the crisis assessment team on May 13, 2015 around noon.

I would be grateful if you could inform me exactly how your official duty to serve all members of the public deals with a request to take action against a potentially well integrated member of it whose only crime is to tread on the turf reserved exclusively for the medical profession.

Yours sincerely,

David Crofts.
